Where Neighbors are Friends!

Welcome the new clerk!!

Hello city of Plymouth! My name is Ashley Martin and will be your new city clerk. I previously worked for the city of Nora Springs. I have some experience working for a city, but am always eager to learn more. I'm very excited for this opportunity and new adventure.

This past summer Bill Heiny and I purchased our home in Rock Falls. Having a family of five is not easy to move and we are STILL in the process of unpacking.

Along with being super busy being a taxi for my three kids, I enjoy scrapbooking, reading, coaching basketball, going to UNI basketball games, and shopping.

Please feel free to come up and meet me! I love meeting the residents in town and would be more than happy to answer any questions you might have.

Snowmobile Review

With snow on the ground we are seeing more and more snowmobiles out. If you are an owner/operator of a snowmobile there is an Ordinance within City limits to abide by. Snowmobiles shall only be operated on streets that have not been plowed with the exceptions of direct crossings of a prohibited street. Snowmobiles shall not be operated on an operating railroad right-of-way.

Snowmobiles are not allowed in any park, playground or upon any other City-owned property without the express permission of the City. Be courteous of public property and do not operate upon the public sidewalks. There is a designated route through town running from the city shop, across B-15, on College to Main. From Main St to Broad and North on Broad out of town. Please stay on this path while traveling through Plymouth and to get out of town. You may get a copy of the designated route at Plymouth City Hall. Thank you
