## Back to School

With Summer Vacation half way over, a friendly reminder starting next month (August), school will be back in session. Please watch for school busses loading and unloading and children walking home.

With Plymouth being a central point between both the Manly and Nora Springs Campuses we have many buses dropping off and picking students up through out town. Many kids walk home from the bus stop as well so slow down and watch for kids.

Thank You!!

Thank you to everyone that came out for Ice Cream in the Park on June 22nd. It was a little rainy in the morning, but cleared up just in time for ice cream.

We received many great ideas for events and activities to have in our community, along with other ideas of what people would like in town.

There is plan to have more activities to hear everyone's input and to socialize with our neighbors. Watch the sign!! More fun to come.

For many of you that are wondering when you will be allowed to have chickens, here is an update. An ordinance, policy, and application have been drafted. The City's attorney is thoroughly reviewing all of the material before approving it.

There will be notices posted and it will be on the sign when the Public Hearing will be for changing the Ordinance. If the timing works it will also be on your utility bills, so keep your eyes open.

Thank you for your patience for the City to insure all our t's are crossed and i's dotted.
