

The Plymouth Press

We're Back

The Plymouth City Council would like to take this opportunity to bring back a community newsletter. Our efforts are to create community involvement and well informed residents. The newsletter will be published on a quarterly basis and possibly more as news arises.

To cut down on costs, the newsletter will be sent out with utility bills when published. Newsletters will also be visible on the city's website. If there is community news that you would like to see printed or have any ideas for the newsletter please call city hall at 641-696-3363 or email Alicia at plymouth@myomnitel.com.

If you would like to go "green" and receive the newsletter electronically let Alicia know and she can add you to the e-mail listing. Also, if there is someone you know that would like to receive the newsletter that didn't please call or e-mail Alicia at City Hall.

Garbage Service & Collection

Starting December 1, 2013, the city will no longer be contracting solid waste and recycling collection services with Waste Management. Absolute Waste Removal located in Clear Lake will be the city's provider for this service.

At the end of October beginning of November be looking for a letter that will have more information to try and make this transition as smooth as possible.
